

70% Alcohol Gel Hand Sanitizer Citrus

Citrus Scent

The 70% Alcohol Gel Hand Sanitizer is great for cleaning hands of light contaminants when soap and water are not available. May also be used after washing with soap and water for an even better clean. Compared to liquid models, the gel format provides a slower evaporation time, implying a more efficient removal of germs and bacteria. Each leak proof bottle is induction sealed, capped before shipping to eliminate the occurrence of leakage during transportation. The 118 mL and 350 mL sizes possess cap valves, whereas the remaining formats are equipped with pumps for ease of use.

Applications:

- Ideal for cleaning hands when soap is not available.
- Ready-to-use formula, no need for dilution.
- Spray on hands and rub together for 45 seconds or until dry.
- Great for at the desk, in the warehouse, on the road, whilst travelling, etc.
- Does not replace soap and water.
- Not intended for cleaning of heavy contaminants.

Benefits:

- 70% alc. formula effectively sanitizes hands.
- Conforms to WHO formula recommendations.
- Citrus Scent.
- Leaves hands non oily and residue free.
- Available in six different sizes.
- Comes in two trigger sprayer formats for easy and convenient use.
