

70% Alcohol Liquid Hand Sanitizer Citrus

Citrus Scent

The 70% Alcohol Liquid Hand Sanitizer is great for cleaning hands of light contaminants when soap and water are not available. May also be used after washing with soap and water for an even better clean. A convenient trigger sprayer is included with the 118 mL, 350 mL, 500 mL, and 946 mL bottles. Each leak proof bottle is induction sealed, capped and shipped with a trigger sprayer to eliminate the occurrence of leakage during transportation. Valves and pumps available for larger formats for ease in refilling of smaller bottles.

Applications:

- Ideal for cleaning hands when soap is not available (Does not replace soap and water).
- Ready-to-use formula, no need for dilution.
- Spray on hands and rub together for 45 seconds or until dry.
- Great for at the desk, in the warehouse, on the road, whilst travelling...
- Not intended for cleaning of heavy contaminants.

Benefits:

- 70% alcohol formula effectively sanitizes hands.
- Conforms to WHO formula recommendation.
- Leaves hands non oily and residue free.
- Available in eight different sizes.
- Comes in four trigger sprayer formats for easy and convenient use.
