

80% Alcohol Liquid Hand Sanitizer

Fragrance Free

Liquid Hand Sanitizer with 80% alcohol is great for cleaning hands of light contaminants when soap and water are not available. Can also be used after using soap and water for an even better clean. A convenient trigger sprayer is included with the 118mL, 350mL and 500mL bottle. Each leak proof bottle is induction sealed, capped and shipped with a trigger sprayer to eliminate the occurrence of leakage during transportation. Valves and pumps available for larger formats for ease in refilling of smaller bottles.

Applications

- Ideal for cleaning hands when soap is not available.
- Ready-to-use formula, no need for dilution.
- Spray on hands and rub together for 45 seconds or until dry.
- Great for the at the desk, in the warehouse, on the road, whilst travelling,...
- Does not replace soap and water.
- Not intended for cleaning of heavy contaminants.

Benefits:

- Contains 80% alcohol and 0.125% hydrogen peroxide
- Conforms to WHO formula recommendation
- Unscented
- Leaves hands non oily and residue free.
- Available in five different sizes.
- Comes in two trigger sprayer formats for easy and convenient use.
