

# HEAVY DUTY DISINFECTANT, CLEANER, DEGREASER RTU

## Ready-to-Use

The *Heavy-Duty Disinfectant, Cleaner, Degreaser RTU* tackles the toughest contaminants while simultaneously eliminating 99.99% of harmful viruses and bacteria. This water-based, VOC-free, non-foaming cleaner dissolves oils, greases, and other organic contaminants with ease. Containing a higher concentration of active ingredients than market competitors, this ready-to-use cleaner offers superior disinfecting capabilities while also requiring no personal protective equipment during use. This product is safe to use on plastics and equipped with corrosion inhibitors to prevent flash rusting of metals. The 500 mL and 946 mL versions comes with a convenient trigger sprayer with a stream setting for targeting specific hard to reach areas and a mist setting to cover larger surfaces. With superior cleaning and disinfecting capabilities, this 3-in-1 product is the perfect complement to cleaner and safer environment.

### Applications

- Ideal for trigger sprayer applications, parts washing, floor cleaning, and pressure washing.
- Ready-to-use formula, no need for dilution.
- To clean, spray on soiled surface and wipe clean.
- To disinfect, pre-clean the surface, re-spray surface and allow a contact time of 10 minutes.
- Works great at room temperature and can be heated up to 50°C.

### Benefits:

- Eliminates 99.99% of viruses and bacteria.
- Active ingredient concentration of 0.4% wt.
- Foamless formulation.
- Built-in corrosion inhibitors to prevent flash rusting.
- Water-based, non-flammable, and VOC free.
- Kills bacteria and viruses, and cleans oils, grease, organic contaminants, dust, smoke, and more.

### Information:

DIN: 02502585
